

SCRAPcancer!

Welcome Aboard! The Scrap Cancer! committee has been hard at work this year to bring you the best Scrap Cancer! event ever!!! We have added new things that we hope you'll like! ...and can I just say that the gift bags you will all be getting this year TOTALLY ROCK!! Now, that being said, one of the items in the gift bags is a camera bag BUT we only got 94 of them so the first 94 who signed up get them (sorry in advance to those of you who don't get one – we'll try to find something else to put in yours!).

This has been an exciting year for myself and Scrap Cancer! In May I won the City of Burlington Community Service Award which has given us a lot of publicity which I'm sure will help Breast Cancer Support Services in spreading word about proper breast health and breast cancer prevention.

During the annual civic recognition ceremony on May 20, 2010, the City of Burlington announced Rebecca McKenzie as the recipient of the 2010 Community Service Award for her work on Scrap Cancer! and dedication to Breast Cancer Support Services. Rebecca was one of 17 nominees that evening being recognized for their efforts within the community. She is pictured here with Blair Lancaster, Executive Director of Breast Cancer Support Services, who presented her with the award at the BCSS Annual General Meeting in June.

We want you all to have a great time scrapbooking your memories this year and at the same time help to raise funds for Breast Cancer Support Services. Last year we introduced our Scrap Bucks as an incentive for increasing pledges. This year we are also going to be using the Scrap Bucks in our new "\$300 and Free" program. This means that for all of you who raise \$300 or more in pledges you will essentially get your Registration Fee for free as we will be giving you \$40 worth of Scrap Bucks to use as you wish on products from vendors, raffle tickets, auction items or if you wish to donate your Scrap Bucks back to BCSS we can have them issue you a tax receipt for amounts over \$20. Please keep in mind though that there is no monetary value to the Scrap Bucks and you will not receive change from Scrap Bucks. Also, for those of you who have trouble getting donations we've put together a list of ideas for you to help you out. And here is the best part.....the person who raises the most pledges wins a spot at the Fall Spa-tacular scrapbooking retreat hosted by The Kit Company worth \$300!!!

Pledge sheets are available at

As we have quite a few people coming this year who are new to scrapbooking we will be having a Beginners Table. Some of the vendors will be holding small sessions to discuss some basic techniques to get you started. Please bring the following items with you – scissors, tape runner and photos. There will be vendors on site if you require products.

Scrapbooking vendors this year include Creative Memories, Memory Keepers, The Kit Company, Stampin' Up, as well as a smaller display from Crafty Designs. Other vendors who will be present at the event include Necks to Nature, Bliss Designs, Abibire Beauty, and of course our massage therapist(s)!!
